

GUIDE FOR VISITORS TO POLAND USING FIP FACILITIES

In Poland, train journeys are operated by different carriers, some of which require an FIP coupon for a specific carrier, while there are also carriers that do not honor FIP entitlements.

The FIP ticket for  Polish State Railways (PKP S.A.) is honored on trains operated by the following carriers:

PKP Intercity S.A. (PKP IC) – EIP, EIC, IC, TLK – long-distance trains and EC - international trains

PKP Szybka Kolej Miejska w Trójmieście Sp. z o.o. (PKP SKM) – suburban trains in the Pomeranian Voivodeship

POLREGIO S.A. (POLREGIO, PR) – regional trains in most voivodeships in Poland + selected long-distance connections (SR, IR)

Koleje Mazowieckie sp. z o.o. (KM) – regional trains in the Masovian Voivodeship. The FIP ticket is not honored on the seasonal Słoneczny train from Warsaw to Gdynia and Ustka

Warszawska Kolej Dojazdowa (WKD) – regional trains in the Masovian Voivodeship on lines nr 47 and nr 48, managed by this carrier (Warsaw Śródmieście WKD – Podkowa Leśna Główna – Grodzisk Mazowiecki Radońska / Milanówek Grudów)

GUIDE FOR VISITORS TO POLAND USING FIP FACILITIES

Other carriers operating in Poland require separate FIP tickets (each carrier requires a ticket specifying the carrier). These include Koleje Wielkopolskie (KW), Koleje Śląskie (KŚ), Koleje Dolnośląskie (KD), and Łódzka Kolej Aglomeracyjna (ŁKA).

In Poland, there are also trains operated by other carriers who are not members of FIP, and neither FIP tickets nor FIP discount cards are honored on these trains.

Regional carriers (PKP SKM, POLREGIO, KM, WKD) do not have seat reservations or additional charges for FIP tickets. Only in selected trains (KM Słoneczny train from Warsaw to Gdynia and Ustka) and charter trains (not included in the timetable), FIP tickets are not honored.

Long-distance trains operated by PKP Intercity have seat reservations. Depending on the train category and rolling stock type, different surcharges and reservation requirements apply for domestic travel (travel exclusively within Poland using PKP IC trains):

TRAIN CATEGORIES for domestic travel

TRAIN CATEGORY	SEAT RESERVATION REQUIRED	COST OF SEAT RESERVATION

 INTERCITY Class 1 and Class 2	Mandatory only on trains in the timetable  <i>subject to compulsory reservation</i>	3 PLN

The obligation to make reservations applies to all couchette cars and sleeper cars. The reservation prices are as follows:

DETAILED INFORMATION REGARDING TRAVEL ON NATIONAL COMMUNICATIONS (ONLY TRAVEL WITHIN POLAND):

- [Express Intercity Premium](#) (EIP) – seat reservation is mandatory with an additional fee and must be purchased before the journey begins. Otherwise, even if you have a valid Interrail or Eurail Pass, you will be treated as a passenger without a valid ticket! You can buy it at bilet.intercity.pl, at [ticket offices of PKP Intercity](#) and other railway carriers in Poland for 43 PLN. You can buy them at ticket offices of selected railway authorities outside Poland for €10 or similar. If you have a reservation for e.g. €3, you will be asked to pay an additional 43 PLN on the train.
- [Express Intercity](#) (EIC) – seat reservation is not mandatory but is possible. Single tickets are sold with a seat reservation, so if a passenger with a reservation boards the train, you must give up your seat. You can also travel standing if all seats are reserved. You can purchase it on the website bilet.intercity.pl, at [PKP Intercity ticket offices](#), and other railway carriers in Poland, or at ticket offices of selected railway administrations outside of Poland.
- [Intercity](#) (IC) – seat reservation is mandatory for selected trains operated by electric multiple units ED161 PesaDart. Travel without a reservation will be considered as traveling without a ticket. These trains are marked with

R

 in the timetable. You can purchase the reservation on the website bilet.intercity.pl, at [PKP Intercity ticket offices](#), and other railway carriers in Poland, or at ticket offices of selected railway administrations outside of Poland..
- In other [Intercity](#) (IC) and [Twoje Linie Kolejowe](#) (TLK) trains (coaches with seats), seat reservation is optional (marked as

R

 in the timetable). However, if someone with a reservation claims the seat, you must give it up. We recommend purchasing a reservation because single ticket buyers receive a seat reservation along with the ticket. Therefore, not having a reservation for Interrail or Eurail may result in standing during the journey. You can purchase it on the website bilet.intercity.pl, at [PKP Intercity ticket offices](#), and other railway carriers in Poland, or at ticket offices of selected railway administrations outside of Poland..
- [Intercity](#) (IC) and [Twoje Linie Kolejowe](#) (TLK) – sleeping or couchette compartments - for Interrail or Eurail, you must purchase a reservation with a full surcharge depending on the type of place. Additional tickets (reservation + surcharge) are available at ticket offices of selected railway administrations outside of Poland, [PKP Intercity ticket offices](#), and other railway carriers in Poland.

INTERNATIONAL DAYTIME TRAVEL (TRAVEL OUTSIDE OF POLAND):

- EIC and IC trains from Warsaw, Gdynia, and Przemyśl to Berlin - it is mandatory to purchase a Pass tariff ticket for €4.00 (payable in PLN in Poland) at the ticket office, including a seat reservation.
- Other daytime trains to/from Poland - it is possible to purchase a seat reservation for €3.50 (payable in PLN in Poland).
